STUDENTS

ON-CAMPUS RECRUITMENT

Directory information or class lists of student names and/or addresses shall not be distributed without the consent of the parent or legal guardian of the student or by the student who has attained majority status.

Bacon Academy shall provide the same directory information and on-campus recruiting opportunities to representatives of the armed forces of the United States of America and State Armed Services as are offered to nonmilitary recruiters, recruiters for commercial concerns and recruiters representing institutions of higher education.

Military recruiters or institutions of higher education shall have access to secondary school students' names, addresses, and telephone listings unless a secondary student, or the parent or legal guardian of the student, requests that such information not be released without prior written parental consent. The Colchester Public Schools shall notify parents of the option to make such request and shall comply with any request received. **A student eighteen years of age or older, rather than his/her parent/guardian, may request in writing that such information not be released without his/her prior written permission.**

The Board shall also provide full access for the recruitment of students by regional vocational technical schools, regional vocational agricultural centers, inter-district magnet schools, charter schools and inter-district student attendance programs, provided such recruitment is not for the purpose of interscholastic athletic competition. **The Board shall also post information about these school options on its website.**

The school administrator shall make the determination of the location, date, and time of the recruitment meetings. Administration reserves the right to deny such meeting if it is determined that the meeting will interfere with the proper and orderly operation of the school.

Any person or organization denied the rights accorded under this policy shall have the right to request a review of the decision by the Board of Education at a regularly scheduled meeting by filing a written request with the Superintendent of Schools.
